RECIPE OF THE MONTH

Pork & Chive Pot Stickers

Ingredients

- 2 medium carrots, finely chopped
- 1 small onion, finely chopped
- 1/2 cup water chestnuts, finely chopped
- 1/3 cup minced, fresh chives
- 1 large egg white, lightly beaten
- 3 tablespoons reduced-sodium soy sauce
- 1/2 teaspoon pepper
- 1 pound ground pork
- 60 pot sticker or gyoza wrappers
- 3 tablespoons canola oil, divided
- 1 cup chicken broth, divided
- Optional: Additional reduced-sodium soy sauce and minced, fresh chives

www.tasteofhome.com/recipes/pork-chive-pot-stickers/

Instructions

- In a large bowl, combine the first 7 ingredients. Add pork; mix lightly but, thoroughly. Working with a few at a time, place 1 scant tablespoon filling in center of each wrapper. (Cover remaining wrappers with a damp paper towel until ready to use.)
- Moisten wrapper edges with water. Fold wrapper over filling; seal edges, pleating the front side several times to form a pleated pouch. Stand pot stickers on a work surface to flatten bottoms; curve slightly to form crescent shapes if desired.
- In a large nonstick skillet, heat 1 tablespoon oil over medium-high heat. Arrange 1/3 of the pot stickers in concentric circles in pan, flat side down; cook until bottoms are golden brown, 1-2 minutes. Carefully add 1/3 cup broth (broth may splatter); reduce heat to medium-low. Cook, covered, until broth is almost absorbed and filling is cooked through, 2-3 minutes.
- Cook, uncovered, until bottoms are crisp and water is completely evaporated, about 1 minute. Repeat with remaining oil, pot stickers, and broth. If desired, serve with additional soy sauce and chives.

Are You a Business Owner? BEWARE of Business Check Fraud.

Fraudsters are stealing or intercepting mail directly from personal mailboxes, USPS drop boxes, or while in transit and then altering the check to deposit the funds into their own account. To help you protect yourself and your business, we recommend taking the following precautions:

- Monitor your accounts daily using our online banking channels
- Use secure mail services for sending checks
- Use ACH, when possible, to avoid mailing paper checks
- Sign up for FFSB Positive Pay to provide enhanced controls over check payments
